

# COUNTY OF SAN DIEGO

## BOARD OF SUPERVISORS

1600 PACIFIC HIGHWAY, ROOM 335, SAN DIEGO, CALIFORNIA 92101-2470

### AGENDA ITEM

**DATE:** February 26, 2002

**TO:** Board of Supervisors

**SUBJECT:** Opposition To The Governor's Plan To Cut \$20 Million In CDF Funding  
(District: All)

#### **SUMMARY:**

##### **Overview**

Governor Gray Davis' 2002/2003 budget proposal includes a cut of \$20 million in State funding from the California Department of Forestry and Fire Protection's (CDF) budget. Governor Davis is counting on local jurisdictions to pay for this cut by reimbursing the State through a cost sharing plan. In just over a year, San Diego County has experienced three severe wildland fires that have destroyed over 50 homes and burned thousands of acres of land. Despite local leaders asking for more fire protection resources from the State, the Governor is proposing to reduce CDF's budget by \$20 million.

Today's action will declare the County's opposition to the CDF budget cut and authorize Supervisor Jacob to represent the County at the Director's SRA Advisory Committee meetings, with Supervisor Horn as the alternate.

##### **Recommendation(s)**

##### **SUPERVISOR JACOB AND SUPERVISOR HORN:**

1. Direct the Chief Administrative Officer to draft a letter to Governor Gray Davis and members of San Diego's State Delegation, for the Chair's signature, opposing the proposed cut in CDF's budget and plan for reimbursement of costs from local jurisdictions.
2. Appoint Supervisor Dianne Jacob as the representative and Supervisor Bill Horn as the alternate on the Director's SRA Advisory Committee.

##### **Fiscal Impact**

There is no fiscal impact associated with this request.

**SUBJECT:** Opposition To The Governor's Plan To Cut \$20 Million In CDF Funding  
(District: All)

**BACKGROUND:**

Governor Gray Davis' 2002/2003 budget proposal includes a cut of \$20 million in State funding from the California Department of Forestry and Fire Protection's (CDF) budget. Governor Davis is counting on local jurisdictions to pay for this cut by reimbursing the State through a cost sharing plan. In just over a year, San Diego County has experienced three severe wildland fires that have destroyed over 50 homes and burned thousands of acres of land. Despite local leaders asking for more fire protection resources from the State, the Governor is proposing to reduce CDF's budget by \$20 million.

On April 24, 2001 the Board took action to call on State and Federal leaders to ensure that State and Federal fire agencies will have enough resources to fight wildland fires year round. Unfortunately, Governor Davis is proposing just the opposite and is relying on local jurisdictions to make up the difference. This is unacceptable!

Andrea Tuttle, Director of CDF, is putting together a State Responsibility Area (SRA) Advisory Committee and is requesting the participation of organizations and individuals with a high level of understanding of the financial structure of California's fire protection system. The committee will review the Governor's proposal and make recommendations for meeting the budget goals. It is critical that San Diego County has representation on this committee.

Today's action will declare the County's opposition to the CDF budget cut and authorize Supervisor Jacob to represent the County at the Director's SRA Advisory Committee meetings, with Supervisor Horn as the alternate. We urge your support.

Respectfully submitted,

DIANNE JACOB  
Supervisor, Second District

BILL HORN  
Supervisor, Fifth District
