BACKGROUND:

Back in 1997, the Descanso Library was one of the smallest in the County, with only 192 square feet. In May of that year, a new library opened, ten times the size of the old one. Naturally, the library became very popular with the community, and the increased usage created a need for even more space.

On June 11, 2003, the Board of Supervisors approved \$152,000 in District Two Community Projects funds to construct a 500 square foot addition, which was comprised of a community room and an additional restroom for the library. With book circulation up 34 percent, the library is once again not large enough for the community and is in need of expansion.
