TO: Board of Supervisors

SUBJECT: PLACEMENT OF STOP SIGNS ON ARENA WAY AND DEL AMO ROAD IN RAMONA (District: 2)

SUMMARY:

Overview

On January 24, 2001, the Board of Supervisors took action to change the stop signs at the intersection of Del Amo Road and Arena Way in Ramona by removing the stop signs on Arena Way and creating new stop signs on Del Amo Road. Since the removal of two stop signs, several community members and organizations, including the San Diego Country Estates Board of Directors, have expressed concerns regarding the safety of approximately a dozen Barnett elementary school children that cross at the crosswalk on Arena Way. The removal of the stop signs on Arena Way has left the crosswalk unprotected. This action will replace those stop signs, creating a four way stop at this potentially dangerous intersection.

Recommendation(s)

SUPERVISOR JACOB:

1. Find pursuant to Section 15301 (c) of California Environmental Quality Act (CEQA) guidelines that the following actions are exempt from environmental review since they are part of operation of existing streets.
2. Establish all-way stop control at the intersection of Arena Way and Del Amo Road in Ramona.
3. Amend the following Resolutions:
 - a. No 299
 - b. No 305

Fiscal Impact

Funds for this proposal are budgeted in the Department of Public Works Road Fund.

I urge your support.

Environmental Statement

These regulatory traffic control items are minor alterations to operations of existing streets and therefore exempt under Section 15301 (c) of CEQA Guidelines.

Respectfully submitted,
